RE: *Journal de la Societe Ouest-Africaine de Chimie*

Dear Dr. SIB,

Chemical Abstracts Service has received Volume 1, Issues 1 and 2 of your journal, *Journal de la Societe Ouest-Africaine de Chimie*, for evaluation purposes.

We are pleased to report that this periodical has been evaluated and found suitable for abstracting and indexing in *Chemical Abstracts*. We would, therefore, like to make arrangements to receive all future issues as they are published.

We would be very grateful if you could send us this publication on a complimentary basis. Many organizations do so in the belief that our service broadens the readership of their publications.

I hope that you will be able to comply with this request and thank you in advance for your consideration and effort. I look forward to hearing from you. Please feel free to contact me if you have any questions.

Kind regards,

Jodi L. Schneider
